Re: Proposed annexation to
the City of Industry,
Annexation No. 49

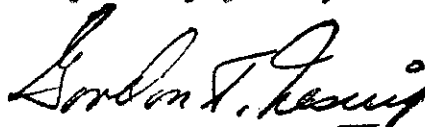

Dear Miss Ward:

At the meeting held on July 8, 1959, the County Boundary Commission reviewed the boundary description and map submitted by G. L. Calvert, 12231 East Garvey, El Monte, with his letter of June 25, 1959, of the proposed annexation of territory to the City of Industry.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with lines of assessment, upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
